Dear Arun,

RE: Letter of appreciation

I would like to take this opportunity to thank Celebrate India for collaborating with Australian Red Cross on the Migrant Workers and Labour Exploitation project. We value your input and suggestions as we were developing the project and the content for the workshops and brochures.

In particular I would like to thank you personally for your time and effort to assist Red Cross to coordinate and promote the workshop in Melbourne.

The project was a great opportunity to raise community members' awareness about how they can identify labour exploitation and human trafficking and what to do if they suspect someone is being exploited.

I hope that the *Migrant Workers Rights in Australia* brochure, which has been translated into Indian community languages, will assist your organisation to continue to raise awareness about this important issue. I hope you are able to distribute the brochure as widely as possible.

You can download the brochure from the Red Cross website – www.redcross.org.au/support-for-trafficked-people.

We look forward to the opportunity to work with you again in the future.

Yours sincerely,
